

NOTA VITRUM

FUTURA is the new generation of hand-crafted crystal glass, combining a superior mouth blown with a clean and modern design.

Using only four new revolutionary shapes, the geometry of the glasses have been adjusted in such a way that the wine lovers can experience the best possible development of the wine's aroma and flavors.

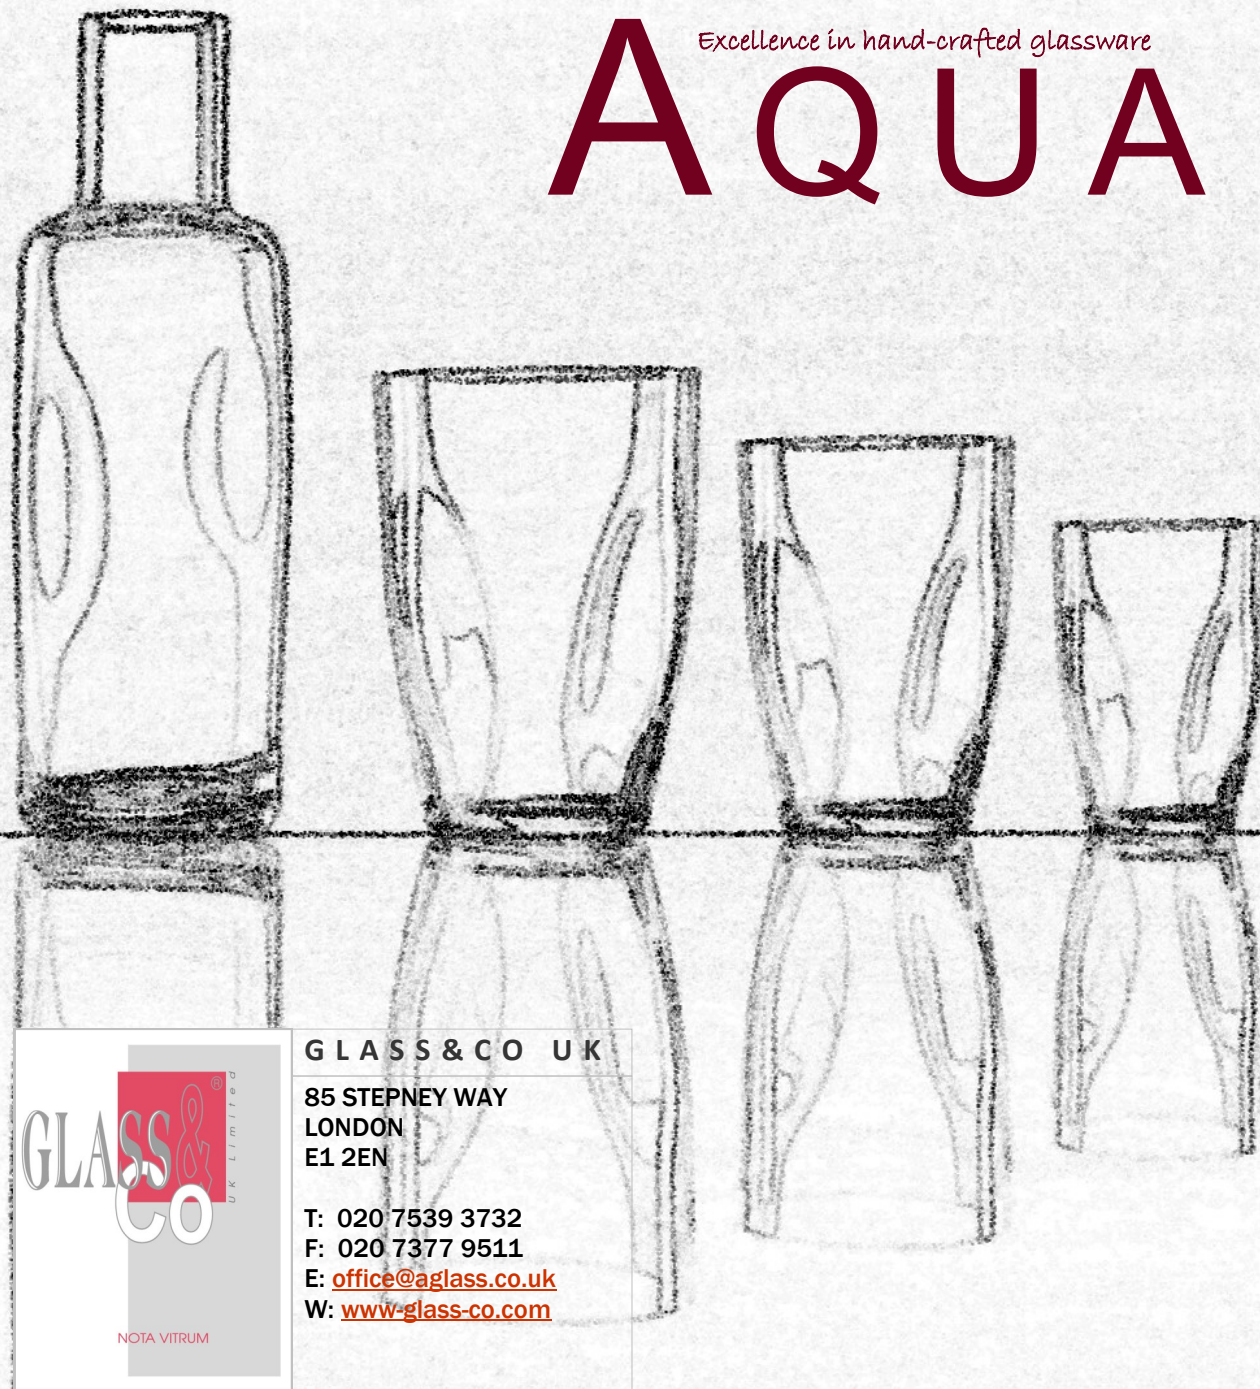

The highest accuracy and the skills of excellent glass makers were necessary to produced a perfect design for this range of top quality crystal glasses that meets the demands of the wine connoisseurs.

Should you need any further information or require samples and prices, please contact our Customer Services on 020 7539 3732 and we will be delighted to help you.
