

# NOTA VITRUM

**Nota Vitrum** Is the Latin expression that identifies our company "Glass as a Sing of Recognition".

Glass & Co has used this maxim to meet the highest demands of distinctive gastronomy over the last decade.

**Vinophil** is our latest crystal glass generation with a seamless pulled stem that is uniquely manufactured and make these glasses very close to hand made.

The geometry of the Vinophil glasses is exactly formed so that wine connoisseurs can experience the best possible scent and taste with the least amount of glassware.

**Vinophil** is a new wine glass philosophy that maximizes a beautiful design with the right functionality to make the experience of drinking wine a pleasure that enhances our lifestyle.
